Getting Started
Once you have signed into Open Future Learning, you will see this dashboard, which is a review of your account. From this page, you can click the **Videos on Demand** tab. This page allows you to search the videos on demand library. By default, learners have access to all of our films, but please note your account administrator may have refined your access to display only certain films.

Searching for films
You can search for films by presenters, by subjects, or by most watched or newest. If you wish, you can type a keyword into the search box. Click **Search** to see your results. Select the film that you would like to watch. Within the video player, you can select to go full screen for easier viewing. Make notes on the film you're watching by clicking the **My Notes** button. At the end of each film, you'll be asked to reflect on how you can apply what you have learned to the way you think or the lives of the people you support.
